Line	Multiple-use Earplugs
Product Use	Multiple-use Earplug
Brand	Howard Leight by Honeywell
Industry	Chemical • Manufacturing • Medical • Mining • Municipal Services • Pharmaceutical • Transportation

## FEATURES

- Patented "no-roll" design is easy to handle and fit
- Contoured shape comfortably matches contours of the ear canal
- Smooth, non-irritating skin provides all-day comfort, easy to clean for long-term use
- Built-in insertion stem makes insertion quick and easy
- Material, PVC

## LIFE CYCLE

These earplug pods must be disposed after one week (5 days) using time.

## STORAGE INFORMATION

All earplugs should be stored before and between usages in a way that protects them from dirt, grease, and other contaminants.

## CARE INSTRUCTIONS

**Inspect** – Prior to fitting, examine your earplugs for dirt, damage, deformation or extreme hardness—discard immediately if compromised.

**Clean** – Wash Multiple-Use earplugs with mild soap and warm water only. Pat dry with a towel and store in a case when not in use. Do not treat with any other substances, as the earplugs may degrade and compromise use.

**Hygiene** – With proper maintenance, this Multiple-Use earplugs can last for 1 week.
